The Area 2 Developmental Disabilities Board is a State of California agency, attached to the State Council on Developmental Disabilities. The Board advocates and protects the legal, civil, and service rights of people with developmental disabilities. Serving on the Area 2 Board provides volunteer members with a unique opportunity to improve policy, practice, and services for people with developmental disabilities and their families in Butte, Glenn, Lassen, Modoc, Plumas, Shasta, Siskiyou, Tehama, and Trinity counties.

The Board has 14 volunteer members; nine are appointed by the Board of Supervisors of our nine (9) counties (1 from each county), and five (5) are appointed by Governor Schwarzenegger. The criterion is that persons have demonstrated interest and leadership in human services activities. The Board welcomes applications from all interested individuals, including people representative of California's diverse populations, and people with disabilities.

In order to avoid conflict of interest, with some exceptions for people with disabilities and family members, conservators and guardians, voting members shall not be employees or on the governing boards of public or private agencies providing services to persons with a developmental disability.

The Board typically meets five (5) times a year, at 2-day meetings in September, November, February, April, and June. Generally the meetings are from 1 -5 p.m. on Thursdays, and from 9 a.m. - noon on Fridays. Board members are reimbursed for travel expenses to Board and/or committee meetings.

For more information or an application, please call Area 2 Board office (530) 895-4027.
